ADMISSION POLICY

- ❖ Admission will be granted to students who are mentally, physically, socially and emotionally capable of participating in the classroom activities and academics.
- ❖ Admission will be made on the basis of age, good behavior and acceptable achievement as evidenced by test scores, records, and recommendations from the school previously attended and/or by testing done by our staff. The classroom teacher and administrative staff will reserve the right to place the student at the proper grade level.
- ❖ Admission will be denied to those who have severe physical disabilities and serious learning, social, or emotional disabilities. The administrative staff will assess individual cases and will make the final decision based on what is best for the child involved, and whether his/her need can be adequately met in our organization.
- ❖ The final decision on admission will be made by, the Admission's committee.
